## Membership News

Maintaining current contact information is official Nassau Swim Club business. Please contact Dan Wolfert at [NassauSwimClubOrganization@gmail.com](mailto:NassauSwimClubOrganization@gmail.com) if you have a change of address, phone number or member information. A membership applies to individuals and families living in the same household. College-age children are included, but adult children are excluded if they have their own home. Memberships are not transferable, nor can they be shared with family members, relatives or neighbors. Members wishing to leave the club should notify the membership chairperson in writing and enclose their stock certificate. Stock will be redeemed mid-June annually; or as release approved by Board of Directors.

Currently, there is no waiting for new memberships. We encourage our existing members to recommend friends and family to become part of our family at Nassau Swim Club. ### Note from the Board of Directors

We have been working non-stop since last fall to prepare for this pool season. We want to thank Dave Williams and John Phillips for the past 24 years of managing our facility.

We are excited to announce Samantha Smith as our new Pool Manager. She has been working hard hiring a new staff and preparing them for a successful pool season.

The pool heater has arrived and has been installed. We plan to fire it up the week of May 22<sup>nd</sup> once the chemicals have been in the pool. Special thanks to Derrick Dobbs for his help in coordinating this purchase and installation. Thank you, Joe Journey on fixing some collapsed drain lines near outdoor shower and correcting collapsed cinder block around the septic tank area.

As you can see, we are focused on maintaining our facility, maintaining our current members and attracting new members. We are giving new birth to our facility with a great programming schedule and fundraising opportunities to utilize our pool to its fullest capacity. By doing so, we hope to bring in additional income, and run this pool as a business, thus keeping pool fees low for our members!

We look forward to seeing you at the pool this season, and look forward to our staff giving you the best customer service possible. Pool safety and great customer service is our top priority this season!

### General Board Meeting

Join us Saturday, August 26th at 11:00 a.m. for the General Member Board Meeting held at the pool.
